Our most frequent traveller, Vickie Murphy, has composed another exceptional poem that can be found on our website, www.nageltours.com, under More+, as well as on the inside front page of our outer mailing jacket. In this photo, Tour Director Sharon Galloway and Driver Eric Longbottom were pleased to present an award to Vickie on the occasion of her 50th Nagel tour and as the first recipient of our Grand Diamond Plus Level! She has travelled with us since 1998, often repeating her favourite tours. “50 isn’t the end,” Vickie says, “I have planned as far as tour 55”. Thank you, Vickie, for your loyalty and the many miles you have travelled with Nagel Tours!

Vickie has just returned from her 55th tour and has already booked her 56th!

We had the pleasure of welcoming many of our frequent travellers on our new Reno/Northern Nevada Sightseeing tour, November 2019. This photo taken after our Farewell Dinner features: from the left, Vickie Murphy (55 tours), Tour Director Rita Disberry, Louise Fairfield (16 tours) and Mary Wysocki (45 tours).

The owners and staff are always friendly and helpful. They treat us like family. We have always had safety conscious drivers and informative hostesses. Mel doesn’t have to drive through big cities anymore and Janine doesn’t have to read the map. We sure see a lot more and have made good friends.

Submitted by: Janine Wenger, St. Albert, AB
Janine and Mel have travelled on 44 Nagel Tours.
Explore North America’s last northern frontier as you motorcoach through Alberta, British Columbia and the Yukon on your way to the “Land of the Midnight Sun”... Alaska.

You will travel nearly 5,000 miles and experience natural wilderness, waterfalls and wildlife. Experience the colourful past of the Klondike Gold Rush and the modern society of today. Enjoy it all – a sternwheeler river voyage, a mouthwatering salmon bake, the incredible views of Denali, the natural wonders of Portage Glacier, riding the vintage narrow-gauge railroad and more!

DAY 1 DEPARTURE: Calgary 7:00 a.m., Red Deer 9:30 a.m., Edmonton 12:30 p.m.
DAY 2 DEPARTURE: Grande Prairie 8:00 a.m., Dawson Creek 9:30 a.m.

DAY

1 CALGARY to EDMONTON to GRANDE PRAIRIE: All aboard for a Frontier Adventure into Canada’s north and Alaska. Depart Calgary, travel north via Red Deer to Edmonton meeting additional travel companions enroute. Your travels cross central and northern Alberta to the beginning of Peace River country. Continue to Grande Prairie for overnight.

2 GRANDE PRAIRIE to FORT NELSON: Your morning stop is in Dawson Creek, BC. It is here at MILE “0” that the legendary 1,500 mile-long Alaska Highway begins and continues to Fairbanks, Alaska. 2017 marked the 75th anniversary of the world-famous Alaska Highway. Follow the Peace River Valley, an important agricultural and petroleum producing region. The highway winds through a rugged section of the Rockies before arriving into Fort Nelson. This evening features a GET ACQUAINTED WELCOME DINNER.

3 FORT NELSON to WATSON LAKE: Cross over Summit Pass, the highest elevation on the Alaska Highway as you travel through Stone Mountain Provincial Park. Enjoy a HOSTED LUNCH in a log chalet by the blue-green waters of LIARD HOT SPRINGS before arriving at the community of Watson Lake in the Yukon Territory. Visit the SIGNPOST FOREST, a collection started by a homesick soldier in 1942 while building the Alcan Highway. If you wish, bring your own sign from home and leave a part of yourself in the Yukon.

4 WATSON LAKE to WHITEHORSE: Cross over Summit Pass, the highest elevation on the Alaska Highway as you travel through Stone Mountain Provincial Park. Enjoy a HOSTED LUNCH in a log chalet by the blue-green waters of LIARD HOT SPRINGS before arriving at the community of Watson Lake in the Yukon Territory. Visit the SIGNPOST FOREST, a collection started by a homesick soldier in 1942 while building the Alcan Highway. If you wish, bring your own sign from home and leave a part of yourself in the Yukon.

5 WHITEHORSE to DAWSON CITY: (2 nights) Today follow the original trail used by prospectors travelling to the Klondike. Enjoy a HOSTED LUNCH at Moose Creek. Arrive late afternoon for a two-night stay in historic Dawson City, where the famous Klondike Gold Rush started in 1898. This evening try the slots or watch the show at DIAMOND TOOTH GERTIES, a historic casino.

6 DAWSON CITY: Classified as a national historic site, many of Dawson City’s buildings have been restored to reflect life during the gold rush. Gold was discovered at Bonanza Creek near Dawson City, Yukon in August 1896. During the winter of 1897-98, some 100,000 stampeders set out to make their fortune in the northern goldfields. Struggling over the Chilkoot Pass with the mandatory ton of supplies, many arrived at the Klondike after weeks of incredible hardship and adventure. Enjoy a free morning to explore the boardwalks, shop for gold nugget jewellery or attend a recital of poetry written by Robert Service. Re-live the excitement of bygone days during your afternoon DRIVING TOUR with stops at DREDGE #4 NATIONAL HISTORIC SITE and to PAN FOR KLONDIKE GOLD.

7 DAWSON CITY to TOK: Travelling west along the TOP OF THE WORLD HIGHWAY...
brings you through a once-prosperous gold mining area and into Alaska. The highway traverses the mountains above the tree line and offers spectacular views in all directions. Arrive in Tok for overnight.

8 TOK TO FAIRBANKS: Visit North Pole’s “SANTA CLAUS HOUSE” enroute to Fairbanks. Alaska’s golden past comes alive during our afternoon cruise on the STERNWHEELER RIVERBOAT DISCOVERY with a stop to visit an ATHABASCAN INDIAN VILLAGE. This evening you are in for another treat as you arrive at the historic PIONEER PARK. Here you will enjoy a traditional ALASKA SALMON BAKE followed by a short walk to the Palace Theatre for a musical comedy SHOW – an evening of dinner, history and fun.

9 FAIRBANKS to ANCHORAGE: (2 nights) The George Parks Highway offers views of Denali, North America’s highest peak. Enjoy a stop at the IDITAROD SLED DOG HEADQUARTERS before continuing to Anchorage for a two-night stay.

10 ANCHORAGE: Travel the Seward Highway to Portage Lake and board the MV Partridge for a CRUISE to the face of PORTAGE GLACIER. Return to Alaska’s most cosmopolitan city for a DRIVING TOUR and time to explore the shops, museums and art galleries of downtown Anchorage.

11 ANCHORAGE to TOK: Begin your day with an interesting visit to a non-profit MUSK OX Farm which is dedicated to the domestication of the “Oomingmak” or “Bearded One”. This animal produces an annual harvest of the finest wool in the world. The scenery will continue to fascinate you on your drive through the agricultural Matanuska Valley to Glennallen. Skirt along Wrangell-St. Elias National Park on the Glenn Highway. Arrive in Tok, home to many sled dog mushers.

12 TOK to WHITEHORSE: (2 nights) Enjoy picture stops and a PICNIC LUNCH as you journey through the snow-capped peaks of the Alaska Range to Klueane National Park, home of the largest lake in the Yukon. Upon arrival in Whitehorse, you will have travelled the entire length of the Alaska Highway.

13 WHITEHORSE to SKAGWAY: All aboard for a unique ride on the Narrow Gauge WHITE PASS & YUKON ROUTE RAILROAD that takes you from summit to sea level. Carved through some of the North’s most rugged terrain, it offers spectacular panoramic views. Parts of the historic White Pass trail that was followed by the gold seekers in 1898 can be seen from the train. Arrive in Skagway, the boom-town gateway to the Trail of ’98 and Klondike Gold Fields with time to browse the shops and history before returning to Whitehorse.

14 WHITEHORSE to DEASE LAKE: Retrace your travels on the Alaska Highway to the STEWART-CASSIAH HIGHWAY then continue south through the scenic beauty of the Cassiar District to Dease Lake for overnight.

15 DEASE LAKE to SMITHERS: Continue south through the northern interior of British Columbia to the town of Smithers, well-known for its alpine style and environment.

16 SMITHERS to PRINCE GEORGE: Today enjoy the scenery while travelling through beautiful British Columbia on your way to Prince George for overnight.

NOTES ON TRAVELLING TO ALASKA

Yukon and Alaska are still two of the last frontiers of pioneer-style life. Some days we will have extended travel times due to rougher roads or distance between settlements. All of our chosen hotels are comfortable but may not be up to the same standards expected in the south. Bring your explorer’s spirit and enjoy a fantastic tour of the north!

SIGHTSEEING: Will require occasional walking on rugged and uneven terrain and travellers should therefore be in reasonably good health.

17 PRINCE GEORGE to HINTON: The Canadian Rockies highest peak, MOUNT ROBSON, welcomes you this morning as you travel east into JASPER NATIONAL PARK. After a DRIVING TOUR OF JASPER continue to Hinton for overnight. This evening we invite you to a HOSTED FAREWELL DINNER.

18 HINTON to EDMONTON to CALGARY: With memorable moments of your Alaskan adventure, you make a stop in Edmonton and then continue to Calgary.

- Changes are subject to penalty fees.
- Cancellation charges apply to pre and post-night accommodations and optional tours.

TOUR DOES NOT INCLUDE: Gratuities – Tips to waiters, step-on guides, Tour Directors and Drivers are a tangible way for you to express your appreciation for jobs well done. This practice, although customary, is voluntary and is not included in the price. The following is a suggested guideline. Service personnel: 15-20% of the bill but never less than $1.00; Local City Tour Guide: $2.00 per person. Tour Director and Driver: $4.00 per person per day. The land price of a tour does not include: air travel, airline fees, airport or departure taxes, transfers, pre/post hotels, port charges on cruises or any other incidental charges unless otherwise stated.

AIR TICKETING: Please contact our Reservations office to confirm tour is guaranteed prior to booking airfare.

TRANSPORTATION/MOTORCOACHES: Nagel Tours and Nagel Coaches are family businesses owned and operated out of Alberta. Our coaches are modern and equipped with reclining body contoured seats, air-ride suspension, air conditioning, restroom, public address system, tinted panoramic windows, stereo equipment and video monitors...all designed for maximum comfort and relaxation. Nagel customized motorcoaches are not available on all tours. Other newer model motorcoaches may be substituted.

BAGGAGE: Tour members are limited to one large suitcase per person. Hotel baggage handling gratuities for this one suitcase are included in the price of the tour. Regardless of its size, your suitcase must not exceed 50lb/23kg. The optimum size limit is 28” high, 20” wide and 10” deep. A small soft-sided carry-on bag is permitted onboard the coach or plane if carried by the tour member. The best dimensions are a maximum of 16” x 12” x 8”. (Please note because air restrictions vary, we strongly suggest you contact your airline directly for specific details). For your convenience keep the size and weight of the carry-on to a bare minimum. Roll-on bags designed for airline use will not fit into the motorcoach overhead compartment. Tags for checked bags will be sent with documents prior to departure. Although the Coach Director supervises the transfer of luggage to and from the coach and every effort is made to handle all luggage as carefully as possible, Nagel Tours cannot assume liability or accept claims for loss or damage to luggage and personal effects due to breakage, theft or normal wear and tear through hotel and group carrier handling. We recommend that you purchase baggage and personal effects insurance.

ACCOMMODATIONS: A list of overnight accommodations with phone numbers and addresses will be available approximately two weeks prior to tour departure. Nightly accommodations are at good quality motels/hotels and are chosen for cleanliness, service and comfort. Some areas do not offer a large selection of accommodations. In this event, we choose the best available. Rooms are allotted by each hotel; however, you have a preference (smoking or non-smoking, ground floor, etc.) please advise at time of booking. Requests may not always be possible as not all hotels/motels have enough of each type of room to accommodate all requests. All accommodations are booked on a 1 or 2 bed basis.

SINGLE: One Person/One Bed
Double: Two Persons/One Bed
Twin: Two Persons/Two Beds
Triple: Three Persons/Two Beds

SINGLE PASSENGERS: We are limited in the amount of single travellers we can accommodate. Single supplement, the tour price for rooms occupied by one person is higher than those where two or more persons share the cost of the room. If Single passengers are willing to share accommoda-
ask at time of booking. No Nagel Tours employee and/or personnel or their suppliers may physically lift or assist clients into or out of transportation vehicles. Although we take good care of you on a Nagel Tour we regret that we cannot provide individual assistance to a guest with walking, wheelchairs, dining or other personal needs. Travellers should be in good physical condition. Guests that require more assistance must be accompanied by a companion who is capable of and totally responsible for providing the assistance required at all times.

DEPARTURE DATES: Based on over 43 years of operating experience, Nagel Tours chooses what we feel to be the best departure date for each particular tour, both for value and best customer experience. When there are multiple departures for a particular tour, we may have predicted departures that are Popular Departure Dates. Historically, these dates are the most likely to be guaranteed departures. Rates quoted are based on a minimum number of participants required to enable operation. In rare instances, it may become necessary to cancel a departure due to lack of bookings, subsequent unavailability of an advertised facility or other unusual circumstances. If a tour is cancelled due to unforeseen circumstances you will be notified 45 days in advance of your departure date and an alternate date, if available, will be recommended. If that date is not acceptable, Nagel Tours will refund all monies paid to them by the passenger and this shall be deemed full settlement.

JOINING YOUR TOUR/PICK UP POINTS: Nagel Tours determines pick up points based on the destination and routing of each tour. Please inquire about time and place of pick-up when making your reservation. Passengers are responsible for arranging and expense of vehicle parking.

OUT OF TOWN PASSENGERS: Special rates for pre and post-tour accommodations are available through Nagel Tours. These accommodations are paid for by the client at time of booking. Nagel Tours will place the reservation for youier and advise pick-up details for joining the tour.
