2 ROCKY HARBOUR/COW HEAD: The day is dedicated to GROS MORNE NATIONAL PARK, a UNESCO WORLD HERITAGE SITE. Begin with an interpretive BOAT TOUR (weather permitting) across the gentle waters of beautiful BONNE BAY. In Woody Point visit the new DISCOVERY CENTRE and view the famous TABLELANDS. It is this area that earned the park its UNESCO status and nickname as the 'Galapagos of Plate Tectonics'. *Meals Include: Breakfast, Lunch.*

3 ROCKY HARBOUR/COW HEAD to GANDER: Bid farewell to the west coast as you travel east to a new geological frontier. A perfect harbor setting provides a beautiful backdrop for an eventful morning of WHALE INTERPRETATION and brilliant art exhibits. The afternoon commemorates the survivors of the 9/11 tragedy and the many acts of kindness extended when Gander and the surrounding communities welcomed the 'Come From Away' guests into their homes - the epicentre of the now hit Broadway musical. *Meals Include: Breakfast, Lunch, Dinner.*

4 GANDER to PORT BLANDFORD/CLARENVILLE: (2 nights) The "Road to the Isles" will take you across causeways spanning the many "Tickles and Runs" leading to TWILLINGATE ISLAND. This dedicated fishing community exhibits great wealth and culture while featuring spectacular cliff-side and coastal views. Later wind through the beautiful forests and waterways of TERRA NOVA, Newfoundland's first National Park. *Meals Include: Breakfast, Lunch.*

Sunrise at Signal Hill.

5 PORT BLANDFORD/CLARENVILLE: A day of discovery awaits, starting in the historic village of TRINITY, one of the oldest communities in North America. Celebrate the beginning of European history while walking the same cliffs as walked by John Cabot when he claimed "Buena Vista" for King Henry in 1497. Visit RYAN PREMISES NATIONAL HISTORIC SITE in Bonavista. Spend a relaxing afternoon enjoying the seashore, chatting with the locals or touring the many historic premises for an opportunity to truly understand the inshore fishing techniques that have allowed Newfoundlanders to thrive for hundreds of years. *Meals Include: Breakfast, Lunch.*

6 PORT BLANDFORD/CLARENVILLE to ST. JOHN'S: (2 nights) Travel to the Avalon Peninsula to the town of BAY BULLS. Natural wonders abound on a morning BOAT TOUR (weather permitting) to the WITLESS BAY ECOLOGICAL RESERVE where Atlantic Puffins, Murres and millions of seabirds nest on these coastal islands. Being a favorite feeding ground for Humpback, Minke, and Fin whales, sightings are a definite possibility. Visit CAPE SPEAR NATIONAL HISTORIC SITE, home of the oldest lighthouse in the province and the most easterly point on the continent. From here you are closer to the British Isles than from anywhere else in North America. Continue to St. John's, the provincial capital and cultural showcase of the island. *Meals Include: Breakfast, Lunch.*

Twillingate.

7 ST. JOHN'S: A GUIDED CITY TOUR this morning will introduce you to one of North America's oldest settlements and the perfect orientation for your free afternoon time. Visit CABOT TOWER and SIGNAL HILL to view the harbour's "Narrows" and admire the architecture of old St. John's including the famous "Jelly Bean Houses". Enjoy the salt air while exploring the many historic exhibits, walking trails, boutique shops and galleries that sur-

round your hotel. This evening gather for a HOSTED FAREWELL DINNER, the perfect finale to a memorable touring adventure. *Meals Include: Breakfast, Farewell Dinner.*
