TOURS**

6 HAIDA GWAI: This morning, a LOCAL GUIDE will take you through the HAIDA HERITAGE CENTRE, a world-class cultural complex built to look like the traditional Haida village that was once at this location. Here you will learn about the 14 clans of the Haida people. After, you will return to Queen Charlotte for an afternoon of free time to explore the village, perhaps having lunch at the local market (when available), taking in the Visitor's Centre, or just having a chance to relax and absorb the atmosphere.

7 HAIDA GWAI: Today's adventures will take you to the arts community of TLELL with a visit to Crystal Cabin for an AGATE INFORMATIONAL TALK, followed by a visit to the PORT CLEMENTS MUSEUM. Travel a short distance to the GOLDEN SPRUCE TRAIL where some of the trees are over 500 years old! Learn the story of the famous GOLDEN SPRUCE when you visit the remains.

8 QUEEN CHARLOTTE to PRINCE RUPERT: This morning we say Hāw'aa (thank you) and goodbye to beautiful Haida Gwaii as we board a BC FERRY for your trip to the mainland. Watch for last sightings of whales and enjoy the scenery as you make your way back across the Hecate Strait.

9 PRINCE RUPERT to TERRACE: The morning allows time to visit downtown shops and the acclaimed MUSEUM OF NORTHERN BRITISH COLUMBIA. This afternoon drive to Port Edward, located on the Skeena River, to visit the NORTH PACIFIC CANNERY NATIONAL HISTORIC SITE. This site is the oldest surviving salmon cannery village along British Columbia's coast. Established in 1889, the cannery was typical of those in remote locations in that it provided accommodation through the summer canning season. Little has changed since the plant closed in the late 1960's. Almost 30 buildings linked by wooden boardwalks are open for viewing. Travel a short distance to Terrace for overnight.

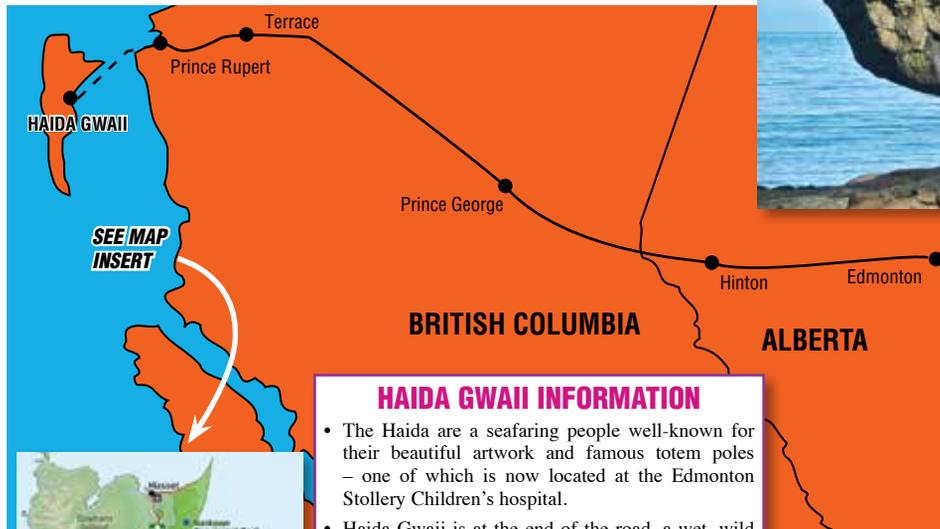

10 TERRACE to PRINCE GEORGE: Retrace your route back through north-central British Columbia to Prince George for overnight. This evening join your fellow travellers for a HOSTED FAREWELL DINNER.

11 PRINCE GEORGE to EDMONTON: With fond memories of your Haida Gwaii visit, say farewell to your new-found friends as you return to Edmonton.

- Due to the remote location of this tour, Queen Charlotte accommodations are categorized as basic/modest.

SIGHTSEEING: Will require occasional walking on rugged and uneven terrain and travellers should therefore be in reasonably good health.
