bassists recreate the sounds and sights of an ABBA show. The group's first show was at the El Dorado Resort and Casino in Reno, but they were soon playing to sold-out crowds around the country and on cruise lines such as Princess and Royal Caribbean. Fittingly, in 2007, they began performing in Europe, where ABBA first came to fame. The group covers 20 of ABBA's mega-hits, including "Mamma Mia," "Dancing Queen," "The Winner Takes It All," and "Take a Chance on Me." They are known for their attention to detail, from the sound to the clothing. Listening to them is like taking a step back in time when everyone was dancing.
